We will leave Madison around 9am and return around 3pm. Volunteer drivers and American participants are needed for this activity. We hope CPC members will join us for this great experience. Wisconsin Interfaith Voter Advocacy Grant Award

Wisconsin Council of Churches and Wisconsin Faith Voices for Justice were recently awarded a \$53,000 grant by Philanthropy for Active Civic Engagement (PACE) to explore the ways faith and faith communities can support democracy and civic life. The two groups are one of five recipients out of 132 applicants. The WCC/WFVJ effort will offer local congregations an on-ramp to this work through non-partisan voter education, registration, and turnout efforts. CPC's Refuge is thrilled to have been a part of the formulation of this request and is looking forward to actively participating in its implementation. Look in the September *Tidings* for how you can be a part of this effort.
